

ECG Course

Sponsored by Biosense Webster

Date : September 1st, 2023
Time : 09:00am to 11:00am
Local Venue : Room 221

Welcome to the ECG course sponsored by Biosense Webster

This 2 hour training course is designed to focus on diagnosis and differential diagnosis of wide-complex tachycardia. Our global expert will give an informative lecture and case studies to you to further improve the understanding of ECG.

We are looking forward to meeting with you in person! We wish you a very informative course.
